Hybrid Space is a Public Venue for Discussions about Urbanism, Art, and Design. We provide Artists, Urbanists, and Educators a Space to discuss larger Urban Issues.

We hold 12 Events a Year, Sponsoring 6 – 12 Artists & Educators to Produce Thought Provoking Events. We reach out to individuals and organizations in the community to discuss ideas and issues that affect our Community. A Sustainable City is not just Energy Efficient, but Socially Engaged as well.

Originally starting as Site specific Art installations, our events have expanded to include educational exhibitions, Urban Research, and Interactive Experiences. The space is open to the Public during Capitol Hill’s Art Walk as well as for private showings.

About

Call for Show Proposals
Hybrid Space is looking for Video/Multimedia installations for the months of November 2016 - March 2017.

Typically seen as the ‘dark’ months of Seattle, we want to brighten up the junction of 12th and Pike. Videos and media will be displayed per artist request. Expect high visibility at Nighttime.

Show Openings occur the 2nd thursday of every month, for the Capitol Hill Art Walk. Closing will occur 3 weeks following. Artists will have one week to install and prep the show. All sales handled directly by artist and buyer.
